

Bulls and Bears

Bloomberg News
Stocks to choose
Distribution is almost gone insane

Credit crunch
Dow Jones plunged
Another billion soon went down the drain

Bulls and Bears come over me
No haven found, oh can't you see
Officials - please – how about bail out me

Dollars float
Round the globe
Speeding up from day to day

Firms cut staff
Figures rough
I' m still remembering Fannie Mae

Bulls and Bears come over me
No haven found, oh can't you see
Officials - please – how about bail out me

Cut the price
Drop of size
Global forecasts speak of sharp declines

Wages fall
Got the call
Of bubbles, gaps and furious signs

Bulls and Bears come over me
No haven found, oh can't you see
Officials - please – how about bail out me
